

FIGHT FOOD WASTE

Partner with **Farm Share** today!

Save money by reducing dumping cost, and help feed those in your community.

FARM SHARE

We combat hunger in Florida by getting your surplus produce that does not meet market standards often due to size or imperfections, and redistributing it along with other donated goods to families in need throughout Florida.

BENEFITS TO YOUR FARM:

- Don't pay just to dump your surplus produce
- Tax Deductions for all your donations
- Farm Share will send a truck from one of our 8 locations to collect your donations anywhere in the state of Florida, ensuring they are distributed within 48 hours **at absolutely no cost to you or the families in need who will receive them.**

Farm Share will pickup and redistribute your donated food to those who need it the most, totally **FREE OF CHARGE.**
